## Stallions

**Flying W Farms Blue Dynasty** 1/12/85, 32.25". (*Flying W Farms Little Blue Boy* 30.0 X *Flying W Farms Wildwood Rose* 34.0) A direct son of Flying W Farms Little Blue Boy, Dynasty is a true grey pinto and produces many pintos. Unlike most Blue Boy sons, Dynasty has a long neck that he passes on to his get. He is a little Arab! He has a big eye and cheek, tiny muzzle and very dished head. He has lots of action and, when running in the pasture, looks like his big counterpart. He has sired many Supreme Halter Champions and National Top Ten horses, and several of his get have gone overseas. Dynasty is the grandsire of Fallen Ash Scouts Robin Hood (1997 AMHA Reserve National Champion Yearling Stallion) and many other Fallen Ash Farms horses, and Eldorado has retained a number of his daughters in its breeding program. DNA tested. \$4,500

**Eldorado Bonsai Pass The Buck** 3/23/00, 31". (*Little Kings Buckeroo Bonsai* 33.5 X X *Calibers Korbel Special Reserve* 31.5.) Proportioned like a big horse, upheaded and elegant, Passer has it all in a little palomino package.

His sire was AMHR's 1998 Performance Horse of the Year, and in 1999 was AMHR's National Grand Champion Stallion and AMHA's Reserve National Champion Stallion, and his dam's sire was a top driving horse. DNA tested and parent qualified. \$4,000

**Eldorado Dreams Hot Summer Night** 4/11/00, 31.5". (*Brewers Dynamo DreamMaker* 31.5 X *HCM War Paints Summer Sonata* 33.5) This bay pinto stallion has the long legs that will make him a driving horse par excellence like both his sire and dam. Very upheaded and elegant. DNA tested and parent qualified. \$4,500

**Eldorado Russian Roulette** 3/31/00, 35.5". AMHR (*Little Kings White Russian* 33.5 X *Boones Little Blue Bird* 32.5) Sired by the incomparable Little Kings White Russian, this colt will be as awesome as his famous grandsire, Boones Little Buckeroo. Roulette's dam's sire is Chocos Little Specks Red Boy, another famous sire in the industry, and his 1998 full sister was the high selling filly at the 1999 Event sale. This smoky black stallion could be your National Grand Champion! He will make an elegant driving horse and is a beautiful halter horse, with his fine throatlatch and neck that has never seen a neck sweat! And if you make him a gelding — what a youth or amateur horse! DNA tested and parent qualified. \$3,000

**Little Kings Seattle Supreme** 3/20/98, 30.25". (*Komokos Little King Supreme* 27 X *Stouts Miss Shortcake*) Sired by the famous Little King Supreme bred to a triple bred Stouts Mr Pride mare, this little bay stallion can become the backbone of your breeding program. He was a late bloomer, but will be used on several of our mares during the 2003 breeding season. \$3,500

## Colts

**Eldorado Recall The Dream** 4/20/03. (*Brewers Dynamo DreamMaker* 31.5 X *Eldorado Tuxedos Upping The Ante* 34.0).

A handsome loud bay pinto with lots of chrome and high white on his legs, he'll have lots of flash. While he has no appy characteristics now, most of Dream's foals get lots of mottling, blankets and varnish marks by the time they're a year old, so our guess is that Recall will, too. Just look at the driving background behind this horse. On the sire's side is Bond Dynamo, one of the most prolific driving sires in the history of the breed. Dream himself is no slouch when it comes to cart work! Although small at only 31.5", he has the leg and build to make him look larger in the cart. And talk about action! On the dam's side his grandsire is three-time AMHR Performance Horse of the Year Kamelots Tuxedo. Grab this colt now while he's still available! Will be DNA tested and parent qualified. \$3,500

**Unnamed Diva Colt**, 4/20/03 (*Grosshills Rogues Mountain Man* 31.5 X *Buck Ons Impressive Diva* 34.0) When he was born we thought he'd be black. But as he gets older, he looks more and more like he'll be grulla, and the genetics stand behind it. And just watch this colt as he matures. He goes back to the beautiful palomino Glens Southern Rogue and Komokos Little Husseler on his sire's side — good old breeding. Match that up with the incomparable "new" breeding from Little Kings Buck On Broadway and see what you get! If you've watched Nationals the past few years, you've seen that B.O.B. get and grandget are in the winners circle or near the top all the time! This could be your chance to own a winner now! Will be DNA tested and parent qualified. \$2,500

## Mares

**Eldorado Bonsai Bet Me A Buck** 4/27/00, 35.5". AMHR (*Little Kings Buckeroo Bonsai* 33.5 X *Kamelots Bet On the Bay* 32.0) Want a National Grand Champion "B" mare? This bay mare could do it all for you! She has a pretty head on a long neck, and those long, long legs that will make her a great driving mare. Her dam is a half sister to Kamelots Tuxedo, three time Performance Horse of the Year, and Betta moves just like him. Her sire was also 1998 Performance Horse of the Year, as well as being AMHR's National Grand Champion Stallion and AMHA's Reserve National Champion Stallion in 1999. With a pedigree like this, how can you go wrong? DNA tested and parent qualified. \$4,500

**Kamelots Bet On The Bay** 7/7/94, 32.0". (*Ahrens Little Bubba* 30.5 X *Kamelots Miss Beauty* 32.5) This bay mare has all the action of her famous half-brother, Kamelots Tuxedo. On the sire's side, she goes back to Chocos Little Specks Red Boy. She has a beautiful, high head with a long neck, level topline and lots of action. Her 2000 foal by Bonsai (see *Bet Me A Buck* above) will make a superb halter and driving mare. Betta will be bred to Grosshills Rogues Mountain Man, a cremello Glens Southern Rogue son, for a buckskin foal in 2004. DNA tested. \$4,500 LFG

*Ima Boones*  
**Little Buckeroo Too**

**Eldorado BTU In A Heartbeat** 3/28/00, 33". (*Ima Boones Little Buckeroo Too* 32.25 X *Philia Blazes Tabasco Bay* 33.5) This bay mare with a heart on her forehead is sired by BTU, the famous buckskin AMHA 1996 National Grand Champion Stallion. Her dam's sire is Flying W Blue Boys Blaze, who also sired Philia Blaze's Joe Dandy, the 2000 AMHA National Champion Stallion 32-34". Blaze is double bred Flying W Farms Little Blue Boy. Heartbeat is very upheaded and alert, with the long legs to make a driving mare. DNA tested and parent qualified. \$4,000

In foal for 2003 to Kamelot's Tuxedo, three time Performance Horse of the Year. The last time we did this cross, we got a red dun filly with a wild blaze with all the natural action that Tuxedo is famous for. DNA tested. \$3,500 LFG

**Eldorado Steppin Up** 4/13/97, 30-31". (*Flying W Farms Blue Dynasty* 32.5 X *DD Roxie* 33.75). This silver bay mare is sired by *Flying W Farms Blue Dynasty*, a direct *Blue Boy* son with a long neck and gorgeous head and action. He passed all his beauty and elegance on to this filly. She is pretty and up-headed, with a long neck and nice action. She is bred to Little Kings Turbo Buck, a Buckeroo son, for a 2003 foal. DNA tested and eligible for parent qualification. \$4,000 LFG

**Little Kings Spring Pink Supreme** 7/9/89, 27.0", (*Komokos Little King Supreme* 27.0 X *Little Kings Pink Lace* 27.25) Double bred Little King Supreme, this red dun mare is out of a King Supreme daughter. Even though she's tiny, Pinky has no problem getting in foal or in foaling. And her foals are super refined! Everyone who saw her at Little King Farm wanted her—we were lucky enough to be there when they decided to let her go! Pinky will be bred to Little Kings Buckeroo Bonsai for a 2004 foal. \$9,500 LFG

**Boones Little Blue Bird** 7/18/85, 32.5". (*Chocos Little Specks Red Boy* 30.5 X *Tinkerbelle* 34.0) A Boone bred mare that we bought specifically to breed to Buckeroo sons. Her 2000 foal by Little Kings White Russian (a cremello Buckeroo son) is a tall, elegant and graceful smoky black (see *Russian Roulette* above). Her 1998 black filly by the same stallion was one of the high selling horses at the 1999 Event sale. Her 2002 bay filly, *Eldorado Turbos Cadillac Style* could be a national grand champion. Blue Bird will be bred back to Turbo for a 2004 foal. DNA tested. \$9,500 LFG

**DD Patty Faye** 7/10/86, 32.0. (*Winks Jingles* 33.5 X *Unknown*). A fancy silver chestnut mare with high action and super conformation, Patty goes back to old foundation lines on her sire's side — Iowa's Little Kernel and Winks Decision. Her 1999 filly, *Eldorado Tuxedos Escapade*, did very well at AMHR Nationals as a weanling and yearling, placing high Top Tens in both futurity and halter in huge classes. We sold *Escapade*, but like her so much we repeated the cross, keeping a gelding that looks just like her as an all round horse. Patty will be bred back to Tuxedo for a 2004 foal. DNA tested. \$3,500 LFG

**HCM Navajos Silhouette** 5/7/93, 30.5". (*X Calibers Little Navajo* 31.5 X *Lucky Four Domino Fancy* 32.0) Silhouette's sire, the famous black pinto X Calibers Little Navajo, was the 1988 Reserve National Grand Champion AMHA Stallion. Her 1997 filly, *Eldorado Dark Crystal*, was AMHR Champion All-Star Weanling, and *Dark Crystal* and *Silhouette* were the All Star Champion Mare and Foal the same year. Her outstanding 2002 filly, *Eldorado Bonsai Buckerella*, is offered for sale below. Silhouette will be bred back to Bonsai for a 2004 foal. DNA tested. \$8,500

**X Calibers Korbel Special Reserve** 4/29/88, 31.5". (*Little Bits Crown Royal* 31.5 X *X Calibers My My* 33.75) Korbel's sire is Little Bits Crown Royal, a bay roan driving horse supreme, and her dam's pedigree is heavily Soat and Komoko. Korbel's first filly for us was a palomino pinto. This sorrel mare had a gorgeous upheaded palomino Bonsai colt in 2000 (see *Pass The Buck* above) and a lovely Turbo colt in 2002 (see *Turbo Power* above). Korbel is bred back to Little Kings Turbo Buck for a 2003 foal. DNA tested. \$8,500 LFG

**X Calibers Little Shadow** 6/2/93, 32.5". (*Little Bits Crown Royal* 31.5 X *X Calibers My My* 33.75). This black mare has had several palomino foals, and a smoky black in 2002. Her sire is Little Bits Crown Royal, a bay roan driving horse supreme, and her dam's pedigree is heavily Soat and Komoko. She is a very elegant, upheaded, Arab type mare. We liked her 2002 foal (see gelding *Back Street Blues* below) so well we repeated the cross to *Flying W Farms Blue Dynasty* for 2003. Talk about line breeding! \$5,500 LFG

**Little Kings Madame Sphinx** 5/5/97, 30.5" (*Stouts Big Mac* 29.0 X *Stouts Snow Anna* 31.25) As is the backbone of Little King's breeding program, this mare is all Stout breeding. Going to Stouts Mr. Pride four times on the top side and three times on the bottom, she is a breeder's dream. And she is a loud bay roan pinto to top it off!
